Premier Mounts' Bracket Locks Mac mini™ In Place

New mounting bracket for the Mac mini™ is the perfect accessory for CTM, PCM and PRO Tilt Series mounts

ANAHEIM, CALIF. (August 24, 2010) – Premier Mounts, a leading manufacturer of A/V mounting products, introduces the complete answer to compactly and securely storing a Mac mini™ behind any of Premier Mounts' [CTM, PCM and PRO Tilt Series](#) of flat-panel mounts. The Mac mini™ Mounting Bracket ([CTM-MAC2](#)) is the ideal accessory for the classroom, corporate meeting room, digital signage or home theater environment.

Made with durable, black powder-coated steel, the [CTM-MAC2](#) (7.4"L x 7.8"W x 1.6"D) saves space by holding the Mac mini™ behind the mount. You can easily access the Mac mini's™ DVD drive and neatly organize and arrange the computer's wiring through specially designed openings in the bracket.

Installing the [CTM-MAC2](#) couldn't be easier and quicker. Simply use Premier Mounts' pair of unique PaneLock™ security hooks, Lock-It™ security screws and an M5 Allen wrench (all supplied with the bracket) to attach the [CTM-MAC2](#) to the mount. When finished, the mounting bar of the CTM or PCM Series mount will effectively lock the Mac mini™ in place and reinforce security.

CTM-MAC2

Premier Mounts' line of [CTM, PCM and PRO Tilt Series](#) flat-panel mounts holds displays up to 80" diagonal in size and can be mounted on walls, carts, floor stands and/or ceiling adapters. They feature the patented Clevis™ plate-and-sliding-rod system for effortless, continuous tilt up to 12° to optimize the viewing angle, and the patented Griplate™ system to safely support displays. Built-in lateral shift makes it easy to adjust the position of the display after installation. The mounts include their own PaneLock™ security system for flat panels for additional protection.

The original [CTM-MAC](#), which accommodates older MAC mini models and its external power supplies, is still available for purchase.

To request a demo or more information on pricing and shipping dates for these and other innovative mounting products, call Premier Mounts customer service at (800) 368-9700 or visit the Premier Mounts Website at www.mounts.com. Download the Premier Mounts 2010 full-line digital catalog to your iPhone™ or iPad™ from the iTunes™ store.
